

# UPDATED Las Cruces Election 2025 Recommendations

Las Cruces uses ranked choice voting in city elections. In races with more than 2 candidates, it is important that you assign a rank to EVERY candidate in a race. The following ranking order prioritizes candidates who are more likely to successfully address the crime and homelessness in Las Cruces:

## City Council District 3

1. Isaiah Tellez

## City Council District 5

1. Ronnie Sisneros

## Soil and Water Supervisor

Jeremy Thomas Griego

## City Council District 6

*Make sure to RANK ALL CANDIDATES. Otherwise, if your candidate gets eliminated, your vote is discarded and will not be taken into account in the instant runoffs.*

1. Tommy Black
2. Richard Reynaud
3. Ramona Bataneant
4. John Muñoz

Las Cruces School Board elections are not ranked choice. Vote for only one candidate. The following candidates are most likely to focus on improving student reading and math proficiencies, empowering teachers to restore order in their classrooms, and protecting children from transgender indoctrination and sexualization at school.

## School Board District 2

Kristina Moore

## School Board District 3

Natalie Chadborn

*Note: For School Board District 1, the incumbent is running unopposed.*
